CAREER OBJECTIVE

To work as a Logistics Shift In-Charge in a reputed organization where I can utilize my experience in logistics operations, warehouse management, dispatch planning, manpower handling, and transportation coordination to achieve daily operational targets.

PROFESSIONAL SUMMARY

- 7 years of experience in logistics and warehouse operations.
- Experience in shift handling, manpower allocation, and daily operations management.
- Knowledge of inbound and outbound material movement.
- Experience in dispatch planning, vehicle coordination, and shipment tracking.
- Skilled in maintaining daily reports, inventory records, and shift handover reports.
- Good team management, communication, and problem-solving skills.

EDUCATION

10th Class

EMPLOYMENT

Shift Incharge Apr 2026 - Sep 2026

K.V Logistics, Bangalore

JOB RESPONSIBILITIES

- Manage daily logistics operations during the assigned shift.
- Plan and monitor inbound and outbound shipments.
- Coordinate vehicle placement, loading, unloading, and dispatch activities.
- Allocate manpower based on daily workload and operational requirements.
- Ensure timely dispatch of shipments and delivery schedules.
- Track shipment status and coordinate with transporters and drivers.
- Monitor material movement and maintain accurate shipment records.
- Coordinate with warehouse, inventory, customer service, and transport teams.
- Prepare daily MIS reports, dispatch reports, and shift performance reports.
- Handle shipment delays, operational issues, and customer escalations.
- Monitor vehicle utilization and ensure proper documentation.
- Maintain proof of delivery (POD), invoices, delivery challans, and other dispatch documents.
- Ensure compliance with safety procedures and company policies.
- Conduct proper shift handover and communicate pending activities to the next shift.
- Monitor productivity and ensure achievement of daily logistics targets.

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
